

Award In Honor of our founders, Malcolm & Allan Matthews

Mill Supply was started in 1987 by Malcolm Matthews with the guidance of his father Allan. Together they have over 75 years of experience in Industrial and Woodworking Distribution. After over 20 years of success, based on representing only the highest quality products and being the most responsive supplier to customers needs, Mill Supply has over 25 employees who serve machinists and cabinet / furniture makers throughout Atlantic Canada - Maritimer's serving Maritimer's.

The Matthews' history of hard work, integrity, care and concern for employees and customers is the company's foundation. The purpose of this award is to acknowledge these traits in new graduates as they continue beyond NSCC to prosper and contribute to their local professions and communities.

Who is eligible? This award will rotate yearly between full-time students graduating from the Cabinet Making or Carpentry and Machining Programs at any NSCC campus.

What are the criteria? Students must have a minimum academic average of 75% and excellent attendance record, demonstrating hard work. Through written submission and reference questionnaire students must also demonstrate being a team player, showing care and concern for peers and community, making a difference in the lives of others, and an understanding of the importance of integrity as it pertains to their continuing careers. Lastly, preference will be given to the under-privileged.

What is the value? A \$500 award will be provided directly to the graduating student.

How do you apply? Please submit the following items to your campus Centre for Student Success:

- An application cover form
- A reference questionnaire
- A written submission addressing criteria noted above.

Forms are available online (www.nsc.ca), at your campus Centre for Student Success or by emailing awards@nsc.ca. Incomplete applications will not be considered.

What is the deadline? Applications must be received or post-marked no later April 30.
